6th to 9th March 2025 - Conference, Ooty Sterling Fern Hill,
Coimbatore, Ooty, Tamil Nadu, India.

www.aesurg2025.com

Dear Exhibitor,

Welcome to AESURG2025 to be held at Coimbatore and Ooty

Why participate in the National Conference of IAAPS-Indian Association of Aesthetic Plastic Surgeons?

- We are expecting around 500 to 600 aesthetic plastic surgeons.
- This is the largest gathering of plastic surgeons interested in cosmetic surgery.
- Aesthetic surgery is rapidly expanding in India, with more than 1,000 members in our association.
- The meeting will feature a mix of plastic surgeons at different stages of their careers. Many young plastic surgeons will be looking to purchase their first set of instruments and equipment, while senior surgeons will seek cutting-edge technology and newer instruments to replace their old ones.
- Plastic surgeons from several countries, including Spain, Egypt, Malaysia, Kuwait, the UK, the USA, and many others, will be attending. This will provide our exhibitors the opportunity to showcase their Indian products to an international audience.
- The Live Surgery Workshop will be held at Ganga Hospital in Coimbatore. Ganga Hospital has a strong reputation among plastic surgery colleagues for its scientific content and hospitality, and we will do our best to uphold that standard.
- The Live Surgery Workshop offers a great opportunity for exhibitors to demonstrate their products in use during surgeries, which is one of the best ways to generate interest.
- There is significant interest in non-surgical procedures like Lasers, Radiofrequency machines, Fillers, Chemical peels, Botulinum toxin, and other non-surgical treatments. We plan to conduct workshops on these topics for doctors, allowing exhibitors to showcase their products directly to them.
- The stalls will be located in a busy activity area, ensuring that you will have many visitors and a rewarding experience.

Every year, plastic surgeons look forward to AESURG meetings, which provide an excellent opportunity to engage with the industry and stay updated on developments in surgical and non-surgical equipment. As a sponsor, this conference will offer you outstanding visibility and the chance to showcase your firm's philosophy, products, and ideas among plastic and aesthetic surgeons. We are confident that you will have a positive experience by participating.
